

PUBLIC NOTICE

In compliance with Subchapter 9-9.10 of the NJ Pesticide Control Code (N.J.A.C. Title 7, Chapter 30), notice is hereby given that the **Warren County Mosquito Extermination Commission, PO Box 388, 2 Furnace Street, Oxford, NJ 07863**, will be applying Zenivex (active ingredients-Etofenprox), Merus (active ingredient Pyrethrins), or Fyfanon (active ingredient Malathion) by truck mounted ULV (Ultra Low Volume) sprayer or by aircraft for the control of adult mosquito populations on an area wide basis, as needed, throughout the County of Warren, during the period from May 6, 2026 through October 23, 2026. For additional information on adult mosquito control activities contact Jennifer Gruener, Superintendent (pesticide applicator license #25339B) at **908-453-3585**. Call the NJ Poison Information & Education System 800-222-1222 for emergencies, the National Pesticide Information Center 800-858-7378 for routine health inquiries and to obtain information about signs and symptoms of pesticide exposure. Call NJDEP Bureau of Pesticide Compliance and Enforcement 609-984-6568 for pesticide regulation information, pesticide complaints and health referrals. Upon request, the pesticide applicator or applicator business shall provide a resident with notification at least 12 hours prior to the application, except for Quarantine and Disease Vector Control only, when conditions necessitate pesticide applications sooner than that time. The Commission's website, www.warrencountymosquito.org provides updated information on time and location of application(s).
